Many churches changed the functions of their Wednesday night gathering from prayer service to Bible study because the focus shifted from silent or spoken group prayer requests to teaching and reading scripture. What should our priority be for Wednesday nights?

God shows us in His Word how He wants us to worship. God is always on time. His timing is right for us to consider our ways:

CONSIDER YOUR WAYS by Niki Lott:

NOTE: Many of us were numerous hats, at home, at work, and at our church. My supervisor always would remind us to REMEMBER WHAT HAT YOU ARE WEARING. There are also boundaries concerning everything we do. Part is where if we remember Christ had attributes that He did not use while He was on earth, and verses on His lovingkindness, and "be ye kind to one another, while we go through this season. Remember MY RESPONSE IS MY RESPONSIBILITY!

I have prayed and am praying concerning our Wednesday services.

I personally believe our Leadership Team (which from the Sr Pastor Transition material is not only the Pulpit Committee, but all elders* who step up and volunteer to help, should be helping and leading in our Wednesday night PRAYER services. **What would our Leadership do if we had an Asbury Outpouring 2023 experience?** I believe WEDNESDAY night SERVICE SHOULD NOT BE A BIBLE STUDY, OR PREACHING EMPHASIS BUT A DEDICATED PRAYER SERVICE where ***we need to re-examine how God wants us to approach His throne to talk with Him? When we remember and apply Proverbs 4:23 before praying, and Ephesians 6:10-16, in our closet, and praying corporately, we are seeking Him, walking in the garden with Him as Adam.*** It is NOW 1st on our priorities in passing the baton in our Sr Pastor Transition. This page on our website will be our go to page for transparency, accountability, and integrity in this transition process..

I suggest for those who really want to have a contrite heart to go to KARD001 - THE COMMAND FOR HEART KEEPING [by Julie Gossack]

As your Communication Coordinator and an Elder of our church, I compel you to pull this -

> <https://www.rhbcjax.com/programs/ceo> up on your phone, pick one of the tabs, and listen or read what is happening, how and why we, as a BMA church exist, and how WE should "SIT, WALK, STAND" (study in Ephesians) as a church. Take notes, ask questions, put together your IDEAs and give them to the Pulpit Committee. They are preparing the questions we want Preachers who come in view of a call. Read/study and view the Vimeo for the Senior Pastor Transition at this site. It needs to be updated, and as Bro Barker

said there was a book about your first 90 days, and there needs to be one for the Pastor's Last 90 days. This last week, I have found Drew Cline's testimony and I believe all of you should listen to it. Also, I posted David E Gregory's message (8/02) on this page -> see 20260802AM EXODUS 32.

I believe our church needs to refresh our gathering on Wednesday nights to including: PRACTICING READING: CALL TO PRAY being a self-evaluating - sharing time with Prayers and Testimonies, Emphasizing "Contrite Hearts Resolving In Sacred Truth: Psalm 91:11 NKJV For He shall give His angels charge over you, To keep you in all your ways." Encounter Weekend event provides an overview of Seven Phases in God's Pattern for Spiritual Awakening.

1. God is on mission to redeem a lost world. He calls a people into a relationship with Himself, and He accomplishes His work through them.
2. God's people tend to depart from Him turning to substitutes for His presence, His purposes, and His ways.
3. God disciplines His people because of His love.
4. God's people cry out to Him for help.
5. God calls His people to repent and return to Him or perish.
6. God revives His repentant people by restoring them to a right love relationship with Himself.
7. God exalts His Son Jesus in His people and draws the lost to saving faith in Him.

Personally Praying and Reading 1 Corinthians 7 - 2 Corinthians 7.
